Added Value

• Cash savings are calculated at Framework level, based upon the difference between general market list price and the price being offered via the Framework agreement. Additional savings are also possible through further competition and committed aggregated spend rebates.
• Compliance to all relevant legislation
• Flexible call-off options
• Direct control of contract management and supplier reviews at consortia level. All supplier contact details are available via HEC
• Range of awarded suppliers and resulting strong market coverage allows direct contact with market leaders in various specialist areas, some of which are not available on alternative Frameworks.
• MI reporting at consortia level will ensure savings and spend are accurately and properly reported, with the help of members in verification of expenditure via the Framework
• Framework Levy (1% of spend on the Framework) retrieved will be reinvested into member services
• Direct control of contract management and reviews at consortia level.
• Ensuring Framework pricing is offered to all institutions as standard for any items under this Framework
