REMOTE COLLABORATION SOLUTIONS

The Pacific logo is displayed in a blue, lowercase, sans-serif font within a white square that has a thin blue border.

Pacific understand that in the current climate all NWUPC and CPC framework members are facing challenges with remote working and connecting with employees that are now working from home. This may be due to lack of appropriate technology, or staff being unfamiliar with using remote solutions and struggling to become comfortable with them. To support this increasing need to be able to remain connected with remote staff, and to make the experience as user friendly, seamless and hassle-free as possible, Pacific are offering a variety of remote collaboration solutions to suit every size of space and budget, including remotely assisted installation from one of our fully trained engineers.

Teaching is changing; which direction will you take?

Are you:

- Planning the future of teaching?
- Considering virtual learning spaces?
- Thinking about how students will be supported remotely and the impacts on teaching time?
- Concerned about how to manage any/all of these?

Pacific are here to assist you in answering these questions, and more, as we navigate how to deliver education in new and innovative ways.
